The Cornell Club does not employ audio/visual technicians. For extensive Audio Visual set up and for on-site technical support, Please contact the Catering Department for permission to permit an outside vendor on Club property, or if the Club is able to arrange for this service through an outside hired vendor, for rates.

Testing of any Club audio/visual equipment for demonstration purposes prior to the day of use is half the listed rental fee. Payment is required by credit card on day of testing.

The Club Events Department must be notified of any cancelled audio or visual equipment at least 72 hours in advance, or the event host will be responsible for the full charge of the equipment rented.

*Phone Calls may be Charged Additionally and billed to the event invoice
