WOMEN IN WINE: WOMEN'S HISTORY MONTH WINE TASTING

Join us in raising a glass to Women's History Month at a guided tasting of wines produced by women vintners and winemakers.

The evening will kick off with a reception featuring sparkling wine from J. Vineyards & Winery in Sonoma, California. We'll then enjoy a guided

tasting of four wines from Leyda (Valle de Leyda, Chile), Pio Cesare (Piedmont, Italy), Stoller Family Estate (Willamette Valley, Oregon), and Susana Balbo (Mendoza, Argentina). Learn fascinating stories about the women leading these celebrated wineries and gain valuable information about the wines and regions.

The tasting will be led by wine writer and presenter Wanda Mann, creator of Wine With Wanda. Wanda is the East Coast Editor for *The SOMM Journal* and her writing has also been featured in *Food & Wine*, *NAPA Magazine*, and other publications. Read Wanda's full bio and secure your reservations on our [program calendar](#).
