THE CORNELL CLUB NEW YORK

A Message from the General Manager

Summer is here and I hope that for many of you it means time with friends and family, well deserved vacations, and of course – a visit to The Cornell Club-New York! As you read through this issue of the Club Quarterly, you'll find your membership has so much to offer both here at The Club and at our impressive network of reciprocal clubs. As we plan our upcoming calendar of events you'll not only find events at The Club, but online lectures and virtual tastings you can enjoy from home. We've asked some of your fellow Members to share their favorite benefits of membership and you'll find them included in this issue.

I encourage you to take a moment to set up your online credentials. As noted in our recent correspondence to you sharing The Club's financial plans for this fiscal year, we will provide updates and copies of all correspondence on the website. The fees and plans for club improvements and mandated repairs are not unique to The Cornell Club. We pride ourselves on Member value, and an array of complimentary amenities, while still maintaining the lowest dues structure in comparison to our peer clubs. Our management team is readily available to assist with any questions you may have after reviewing the recent communications sent to you. You can find instructions on how to set up your member profile in this issue of the quarterly or contact us for assistance.

Included with this mailing is the annual member appreciation certificate. It is our pleasure to share the certificate with you each year, and I hope you'll take advantage and use the certificate in the year ahead.

Wishing you all the best for a relaxing summer.

Craig Lasnier
General Manager

Member Appreciation Certificate THANK YOU!

Each year, we mark the start of the new fiscal year with a thank-you for your support of The Club. You'll find your certificate enclosed along with this issue of the Summer Quarterly. You will notice we have added a new way to use your certificate—a credit that you can be applied to a two night stay!

Please plan to present your certificate to your server prior to dining or arrival at a club program. We look forward to seeing you at The Club!

The Seminar Book Club:

The Seminar Book Club started out as just a few members eager to join a book club and has grown since its start this past winter. Meeting once a month in the Big Red Tap & Grill, serious fiction or non-fiction, both classics and newer works, are chosen for literary and intellectual merit. Each book is chosen by a "seminar leader" who then leads the discussion.

Meenakshi Chakraverti, Club Member and Cornell PhD in social anthropology, graciously spear headed this amazing book club and welcomes volunteers each month to take on the role of seminar leader.

Plan to meet up in the Big Red Tap & Grill, get a drink (and some food if you want!), and talk about the book, pushing both intellectual inquiry and having fun!

Make sure to check The Club's program calendar on our website for future dates and books selected!

"My favorite way to use The Club is a midday workout when I am in NYC for business meetings. It's just the recharge I need."

- JoAnna Gibson, member since 2005

"I joined The Cornell Club a year ago, both as a way of staying connected to campus and because I was interested in attending the many programs offered throughout the year. What I didn't expect was that The Club would become a home base for meeting friends, relaxing after a long day, or stopping by for any number of reasons. From its frequent social events for young alumni to its beautiful restaurant and comfortable library, The Club's features have made it a home away from home for me. At one of my favorite events of this year, the Young Alumni Takeover Dinner in the Cayuga Room, I was joined by old friends from school and new friends I had met through the Club. Becoming a member of The Cornell Club has been one of the best things I have done since beginning work in New York City."

- Bernadette Gunther, member since 2022

"My Club Experience is an all-day experience. I like to work out in the morning and then get work done in the Tap & Grill. Most days I stay for a drink at The Tap before heading to Metro-North. If I stay for a Club program, I'll also grab dinner and I have the option to take it to go!"

- Jason Kennedy, member since 2016
