

THE CORNELL CLUB NEW YORK

The Board of Directors, management, and staff of The Cornell Club would like to extend our sincere appreciation to all of the Members and friends who contributed to the 2023 Employee Holiday Fund.

The Holiday Fund distribution received by all of The Club's employees (except for the General Manager) says thank you for a job well done. The monies received by the employees this year represent roughly two weeks' wages for our average employee. Your contributions are most appreciated at this time of year, given all of The Club's employees' hard work throughout the year.

Every effort has been made to list the contributors to the 2023 holiday fund accurately in the following pages. Unless otherwise specified, only the member is listed, i.e. no spouse/partner. If we have inadvertently omitted your name, please accept our apologies and let us know so that we can update our records.
