Audio and Visual Equipment

Please use your own laptop for an event presentation.

Please note that our staff is not permitted to handle or assist with personal av equipment.

The Cornell Club does not employ audio/visual technicians.

For extensive audio/visual set up and for on-site technical support, please contact the Catering Department for suggested AV technicians to be hired to attend your event. We recommend hiring outside AV technicians to connect and oversee remote attendees, video conferences, and events intending to be webcasted.

Any AV technicians not suggested by The Club needs to be confirmed by the Catering Director 14 days prior to the event start date, and a Certificate of Insurance is required.

Testing of any Club audio/visual equipment for demonstration purposes prior to the day of use is half the listed rental fee.

Payment is required by credit card on day of testing.

Please notify the Events Department of any required audio or visual equipment at least 14 days in advance. Rental Fees will be applied to the event invoice. Any equipment not canceled within 72 hours will be charged to the event invoice.

**Outgoing Phone calls may be charged additionally and billed to the event invoice.*
